The sealed envelope process is a way for a government official to verify your identity without requiring that you appear in person at a Passport Agency. Your application materials will be officially sealed into an envelope by the Courthouse or Post Office. **IAG** will carry this unopened envelope to the Passport Agency on your behalf to expedite issuance of the passport. The law allows that you have a right to have a representative carry this envelope to a Passport Agency as long as you have an urgent need for a passport.

- Do **NOT** seal the payment to **IAG** AND Do **NOT** seal the **IAG** Customer Order Form
